Hello and welcome to our latest newsletter. We hope you are all enjoying the lovely summer with your horses! We have had some very successful competitions and clinic so far this year with plenty more to come!

### **Committee**

We would like to welcome Kirsty Dance to the committee. She will be helping to run some of our competitions as well as enjoying them on her horse Maddy, so look out for her at future ODRC events!

All the committee can be contacted at [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com)

### **New Website**

For those of you who haven't already seen, we have a new website! Please go and have a look... [www.ouerridingclub.com](http://www.ouerridingclub.com) the old website address is no longer in use. We will be posting all of our events on there as well as reports, forms and newsletters. We are also hoping to have a 'members' page so if you have any memorable photos of the club then please email them to [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com) so we can get them up on the website!

### **Member Adverts**

Members can advertise on the website, the newsletter and our facebook page free of charge, please email your advert to [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com) and we will get it on there!

### **Spring Show Report**

We had another very good spring show in May and the weather was beautiful which is always a bonus in spring. Well done to all those that won the championships there where some very nice ponies and horses. Look out for new classes we have added for the august show. We have a ridden sport horse so any warmbloods/TB/eventer types this could be the class for you. Also we have riding club mount so if your horse is that type have a go. In the hand ring we have added Shetland/minis. The class I am most looking forward to is the best 10 legs, a combination of horse/rider/dog this class can be ridden or in hand. We are always looking to improve the show so if you have any suggestions please get in touch either on Facebook or through Odrc enquiries. Details of the august show are on our web site and horsedates.

I am still looking for ring stewards so if you are free for either a morning/afternoon or all day on the 25th august please contact Pippa. No experience required and it's a great way to pick up tips for yourself when stewarding.

A couple of our judges have offered to run a showing clinic on the do's and don'ts of the show ring and correct turnout for particular classes can I have some feedback if you think this would be worthwhile to you.

Let's hope this good weather continues and I hope to see you in august.
