## Newsletter March 2015

Hello and welcome to our latest newsletter. We hope you are all ready and raring to go for another year! Now it feels like spring is on the way and the clocks are close to moving we hope you will all be thinking about getting your horses out and about. We have a full calendar of events for you including our two regular shows as well as some dressage and show jumping. We are also planning to run some evening clear round sessions as well as some give it a go dressage. In order to help prepare for these we also have a range of clinics planned. We also have a demo with Mia Korenika, this should be a good opportunity to learn about distances and setting up jumping exercises at home. As always if there is anything you would like to try or see then please let us know and we will try to arrange something.

### **Committee**

If you are interested in joining the committee then please get in touch, once upon a time the club had a large junior section which over the years has dwindled so if there is anyone out there who would be interested in reviving it then please let us know.

We are always on the lookout for helpers at our events so please get in touch if you can offer to help. As a new initiative we will be offering our members vouchers in return for helping.

All the committee can be contacted at [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com)

### **New Website**

For those of you who haven't already seen, we have a new website! Please go and have a look... [www.overridingclub.com](http://www.overridingclub.com) the old website address is no longer in use. We will be posting all of our events on there as well as reports, forms and newsletters. We are also hoping to have a 'members' page so if you have any memorable photos of the club then please email them to [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com) so we can get them up on the website!

### **Member Adverts**

Members can advertise on the website, the newsletter and our facebook page free of charge, please email your advert to [odrcenquiries@gmail.com](mailto:odrcenquiries@gmail.com) and we will get it on there!
